LUNAR NEW YEAR 2026 YEAR OF THE FIRE HORSE

SISC Lunar New Year

We celebrated the Lunar New Year with our wonderful community, bringing traditions to life.

From a vibrant parade, to a Lion Dance for prosperity, and even a fashion showcase of traditional clothing! And of course, our spectacular annual concert featuring songs, dances, live instruments and even a special guest! Our celebration this year was truly unforgettable.

A heartfelt thanks to our Chinese Teaching Team for their dedication in making this event a success and for giving us all the opportunity to experience and share in this festival!

INTERNATIONAL WEEK AT SISC

International Week was more than just a celebration; it was a deep dive into the diverse cultures that make our school community so vibrant.

Throughout the week, classrooms were transformed into "Mini-Embassies." Students didn't just read about different countries—they experienced them. From the intricate artistry of traditional costumes to the rhythmic beats of global music, every sense was engaged.

- Secondary Year Showcase: Our older students took the lead with bustling food stalls, offering a culinary world tour that delighted the palate. The Fashion Show was a true highlight, featuring garments that told stories of heritage and pride.
- Early Years & Primary Parade: The week concluded with a heartwarming display of international flair as our youngest learners paraded in traditional attire, proving that you're never too young to be a global citizen.

This "Mosaic of Colours" was made possible by the incredible involvement of our parents. Your contributions to classroom activities and cultural storytelling turned lessons into lifelong memories. Thank you for helping us foster a world where diversity is celebrated every single day.

CAMPS TO V-KIRIROM PINE RESORT

Our Year 6 and Year 8 camps to V Kirirom were a tremendous success! Beyond the fun of team-building games and the shared success of a challenging 6km hike, we had the privilege of witnessing incredible personal growth from our children!

The students displayed remarkable resilience, fostered genuine cooperation, and experienced pure joy when they were able to complete difficult tasks. They worked on their independence, their sense of responsibility and they developed basic practical life skills.

These moments under the pine trees are where abstract classroom lessons transform into tangible life skills, where bonds are forged, and where confidence truly blossoms.
